## BAIJIU 白酒

In China, baijiu is drunk with food and is every bit as important to a Chinese as wine is to a Frenchman.

Baijiu is a Chinese spirit, which is the world's best-selling spirit. When you toast, you should say 'ganbei' (干杯), which literally means 'dry cup.'

We recommend that you try our baijiu flight with your meal to get the most authentic experience.

According to legend, the beverage was invented when the Emperor sat under a tea tree with a cup of hot water to drink. A dried leaf fell from the tree and landed in Shen Nung's cup. The water turned golden brown and the Emperor decided to taste it. The rest is history.
