BAIJIU 白酒

In China, baijiu is drunk with food and is every bit as important to a Chinese as wine is to a Frenchman.

Baijiu is a Chinese spirit, which is the world's best-selling spirit. When you toast, you should say "ganbei!" (干杯) which literally means 'dry cup'.

We recommend that you try our baijiu flight with your meal to get the most authentic experience.

TEA "CHA" 茶

The history of Cha, as tea is called in Chinese, begins about 5000 years ago. According to legend, the drink came into being when Emperor Shen Nung was sitting under a tea tree with a cup of hot water to drink. A dried leaf fell from the tree and landed in the cup. The emperor decided to taste it and a new drink was born.
